Interconnected Dolly

One flat ground moving
multi dolly of cargo carrying.
Widely used in logistics warehousing,
manufacturing, commercial stores
and home micro-handling etc.

Join multi dolly in one piece
increase your working capacity.
All way connection design
provides more size options.

Joining the dollies longitudinally provides more flexibility.

Can be used either with
or without handle.
Convert your dolly
to a platform trolley.

Available with 4 swivel casters,
or 2 swivel and 2 fixed casters.
